

# MOVING?

## GET A HEAD START WITH REUSE DC

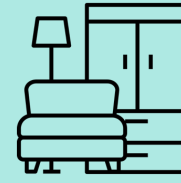

## Give Your Used Items a New Home by Donating Them

Including:

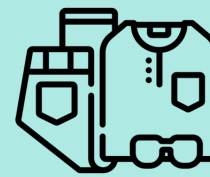

Appliances

Furniture

Books

Clothes

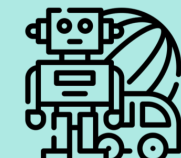

Tools

Sports Equipment

Musical Instruments

Toys

Baby Care

Hygiene Products

## Tips to Reduce Waste During A Move

- Visit [reuse.dc.gov](https://reuse.dc.gov) to learn how to donate or exchange items with neighbors.
- Check-out the list of organizations that will pick-up from your house! 
- Make a plan early, so that you aren't rushed to donate when also packing.
- Go through your home one room at a time and decide what to donate. 
- Instead of buying moving boxes, rent crates or use old boxes. Some moving companies provide rentable crates.
- Use old newspapers, old towels, shirts, or socks for packing.
- Pack carefully to avoid damage during transit.

Visit [reuse.dc.gov](https://reuse.dc.gov) for a full list of where you can donate your household items and more!

## Exchange with Neighbors

Post your unwanted items on local group websites and exchange them with a neighbor. Learn more about these websites at [reuse.dc.gov/page/exchange](https://reuse.dc.gov/page/exchange).

## Repair

You can repair your beloved household items at a local repair business. To find a repair shop for electronics, appliances, clothing and more go to [reuse.dc.gov/page/directory](https://reuse.dc.gov/page/directory).

## About Us

Reuse DC helps the District learn where to repair, donate, and shop second-hand. Search the online directory, explore how to exchange items with your neighbors, learn about the importance of food recovery, & more!

Visit the Reuse Directory at [reuse.dc.gov](https://reuse.dc.gov) for a list of where to donate your household items and more.

## Special Recycling Options

### Paint

Recycle your old paint for free with PaintCare. For more information and a list of upcoming collection events, go to [doee.dc.gov/paint](https://doee.dc.gov/paint).

### Electronics

Have electronics beyond repair? Find out where and how to recycle them at [doee.dc.gov/ecycle](https://doee.dc.gov/ecycle).

### Batteries

Have batteries that don't work anymore and don't know what to do with them? Check out where to recycle your household batteries at [call2recycle.org/locator](https://call2recycle.org/locator).

Learn more at [reuse.dc.gov](https://reuse.dc.gov)
