

Clean Water Construction Signage Requirements

Sponsor Sign

Placement

- Located in a conspicuous, publicly visible area
- Sufficient size to be easily viewed from the public area

Content

- Project title
- EPA logo
- DOEE logo
- DC government logo
- Funding sources and amounts

DOEE will provide the EPA, DOEE, and DC government logos. **Clean Water Construction staff must approve signage prior to publication.**

Labor Signage (informational poster, wage determination, and EEOC Poster)

Placement

- Located in an area frequented and easily accessed by the construction crew
- Protected from elements, i.e., laminated or placed in plastic sheeting

Content

- Highlight applicable work classifications.
- Post informational poster in English and Spanish
